## JAZZ, SWING, BOSSA, BLUES

Un concepto tradicional, elegante, clásico del jazz donde los instrumentos son mas acústicos como en el caso del Violín o el Contrabajo, el cual además de su sonido muy particular da un toque especial en la imagen vintage.

El repertorio varía entre temas interpretados por grandes íconos del jazz como Ella Fitzgerald, Nina Simone, Billie Holiday, Frank Sinatra, Ellis Regina, Nat King Cole, así como también algunos boleros y temas tradicionales en español como bésame mucho, Como fue, La Gloria eres tu, entre otras, adaptadas a ritmos jazzeros dándoles una vida diferente.

Recientemente también agregamos una selección de temas de rock y pop más comerciales como: Rehab, 7 Nation Army, Rock with you, y los adaptamos también al estilo vintage del swing y el bossa.
